

Happy Employee Appreciation Day, {{FirstName or 'friend'}}!

Workplaces usually celebrate this day with cards, pizza parties, maybe a cake in the break room. (Or they just don't acknowledge it.)

There's nothing wrong with any of these – who doesn't love pizza? **But, they're missing what workers actually want from their employers.**

THINGS LIKE:

-  *Fair and livable wages*
-  *Health benefits*
-  *Paid family leave*
-  *A secure retirement*
-  *Safe workplaces*

Every Iowan deserves to make a good living with time for a good life. [Will you sign our petition and demand that employers go beyond pizza parties to show their appreciation, {{FirstName or 'friend'}}?](#)

Iowa Democrats are proud to be in this fight with you. We still have a lot of work to do, but the fight for a better life for all Iowans is always a righteous one.

Thanks for all that you do for workers and for our Party!
